2.1 ENVIRONMENTAL POLICY

ENVIRONMENTAL POLICY

Central Radio Company, Inc. maintains an Environmental Management System to improve its environmental management and, ultimately, to reduce the environmental impacts of its operations, activities, products, and services.

Within the framework of our Environmental Management System we commit to:

- Conduct operations in compliance with applicable laws, regulations and standards concerning environmental protection.
- Minimize the environmental risks to our employees and the communities in which we operate.
- Developing environmental management plans with objectives and targets to minimize adverse environmental impacts and measure our progress toward those goals.
